

WMC 2014 > Information > Directions

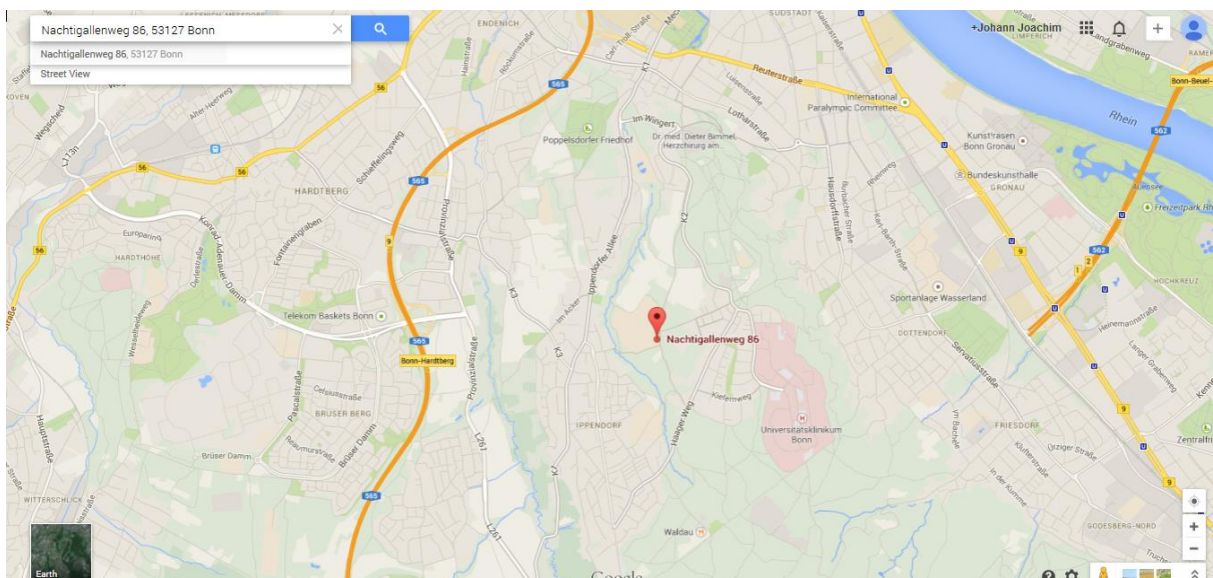

How to get to the WMC 2014? Doesn't the navigation system take care of this? However, here are some tips on how to get to us by public and private means of transport. Parking spaces are available but naturally limited - speaking of nature: The more people travel by public transport, the better! If you're looking for resp. providing a vacancy in a car, if you're manhunting travel mates for special train tickets or if you just don't like to travel on your own, you can take advantage of our car pooling. This year's tournament shall be held on the grounds of the athletic department of the University of Bonn. More details on the grounds and the rural surrounding can be found on the website.

Address

UniversitätsSportanlage Venusberg
Nachtigallenweg 86
53127 Bonn
